O R D E R

On April 19, 1978, Lennie G. House and Jerry Chaney dba Metropolitan Answering Service were granted a Certificate of Convenience and Necessity to operate a mobile telephone and paging service in and around Lexington, Kentucky.

Mr. House subsequently purchased the Mr. Chaney's interest in the above-mentioned partnership and is presently the sole owner.

On June 19, 1980, Mr. House chartered a Kentucky corporation, Metrotelecommunications of Kentucky, Inc. He is the sole owner of said corporation's common stock.

On December 3, 1980, Applicant filed an Application requesting that the Commission enter an Order transferring his Certificate of Convenience and Necessity to Metrotelecommunication of Kentucky, Inc.

OPINION AND FINDINGS

The Commission, after consideration of the matter herein and being advised, is of the opinion and FINDS:

That, as this is a request to change the legal form of doing business from personal to corporate, a public hearing is unnecessary.

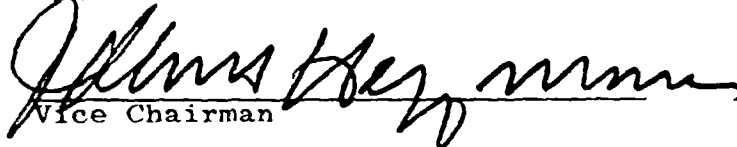

That, as Mr. House is the sole owner and operator of Metropolitan Answering Service and Metrotelecommunications of Kentucky, Inc., the operations of the business will continue materially unimpacted.

IT IS THEREFORE ORDERED, that the Certificate of Convenience and Necessity granted Metropolitan Answering Service should be and hereby is transferred to Metrotelecommunications of Kentucky, Inc.

Done at Frankfort, Kentucky, this the 28th day of January, 1981.
